**Be advised that the Express Mail Service (EMS) is currently suspended for the following countries until further notice:**

1. USA
2. Canada

In spite of the Jamaican borders being reopened, the wider postal network and some partner countries have not fully regularized their operations, consequently, outbound mail dispatches for destinations not listed above remains suspended until further notice. Jamaica Post is monitoring the situation closely and discussions are ongoing with our airline partners and other stakeholders.

**Additionally, customers may utilize Fast Track, a premium shipping service that offers online tracking, expedited deliveries and customer service support, to send packages worldwide.** The public will be duly updated once our full suite of services becomes available.

It is also to be noted that restrictions have only been imposed on outbound shipments. Jamaica Post continues to accept inbound mail items once they arrive in Jamaica. These articles are then sorted, processed and dispatched to the local Post Offices for delivery/ collection.

**Be advised that the information contained in this advisory is subject to change without notice.**

The Post and Telecommunications Department regrets any inconvenience caused.
