## REVISED ZIP MAIL & FAST TRACK RATES

Jamaica Post wishes to advise its valued customers that effective July 1, 2022, the rates for Zip Mail and Fast Track services will be increased.

Zip Mail, a next business day local courier service is offered at 73 Jamaica Post locations, with 104 post offices accepting deliveries. The service offers four modalities - Post to Post, Post to Door, Door to Post and Door to Door. The new rates for this service are as follows:

Zip Mail (0-10lbs)	New Rates
Post to Post	\$500.00
Post to Door	\$850.00
Door to Post	\$850.00
Door to Door	\$1000.00
Incremental cost for each additional pound or part thereof	\$50.00

Fast Track is an international outbound, expedited shipping solution that delivers documents and packages to customers in over 200 territories globally. The service is available at 48 major post offices islandwide and offers delivery to the door of the recipient. The revised rates for this service are as follows:

Description	USA	Caribbean & Canada	Central & South America	Europe	Asia	Rest of the World
Fast Track 0.5 KG Documents	\$6,889.05	\$6,835.85	\$6,940.26	\$8,049.15	\$8,815.50	\$9,691.93

Zip Mail and Fast Track remain convenient, safe and competitively priced solutions. These services offer branded packaging, customer service support and online tracking. Additionally, Zip Mail customers receive email and SMS notifications with status updates about their package(s). Customers may use these services on demand by presenting a valid government-issued identification (eg. Electoral ID, Driver's Licence or Passport) when sending and receiving packages.

For additional information about the revised rates and other Jamaica Post products and services, visit [jamaicapost.gov.jm](http://jamaicapost.gov.jm) or email [info@jamaicapost.gov.jm](mailto:info@jamaicapost.gov.jm).

Jamaica Post wishes to thank all its stakeholders for their continued support and remains committed to offering value for money whilst providing a range of logistics solutions.
