Upcoming Renovation Works at Constant Spring Post Office, St. Andrew

The Post and Telecommunications Department (Jamaica Post) wishes to inform our valued stakeholders about the upcoming renovation works scheduled for sections of the Constant Spring Post Office, located at 191 Constant Spring Road, Kingston 8. To facilitate these necessary improvements, the operations of the Constant Spring Post Office will be temporarily relocated to a retro-fitted container office in the parking lot, on the same property. All postal services will remain available at the interim office.

Preparatory work to construct the temporary office will commence on Tuesday, March 19, 2024, and during the period of upgrading, we are committed to minimising disruption of operations and inconvenience to stakeholders. We kindly request your patience and understanding during this transition.

The objectives of these renovation works align with Jamaica Post's commitment to:

- **Transform the Postal Service:** Our aim is to enhance efficiency and modernise our operations.
- **Improve Infrastructure:** Upgrading the facilities at the Constant Spring Post Office ensures a better experience for all stakeholders.
- **Rebrand:** This project will enhance the aesthetics of the location, contributing to a visually appealing environment and improved brand perception.

Jamaica Post sincerely thanks all stakeholders in advance for their support, and we regret any inconvenience that may be experienced as we work diligently to serve you better.
