## Installation of Perimeter Wall at the Spanish Town Post Office

Jamaica Post takes this opportunity to inform members of the public that the installation of a perimeter wall will begin at the Spanish Town Post Office, located at 21 Adelaide Street, Spanish Town, St. Catherine. This upgrade will commence on Wednesday, September 9, 2026, and will be carried out over a one-month period, ending in October 2026. This forms part of Jamaica Post's ongoing transformation initiative to improve its facilities and enhance customer experience.

The Spanish Town Post Office will remain open during the period, with postal services continuing to be provided. Normal opening hours will remain in effect throughout the installation period. Temporary adjustments to customer access, service areas or movement within the facility may be necessary as the project progresses. Any significant changes affecting access, operating hours or service arrangements will be communicated to customers in advance through Jamaica Post's official channels.

We further wish to reassure the public that appropriate safety measures will be maintained throughout this project and we encourage customers to observe all safety instructions while visiting the Spanish Town Post Office.
